Tziporah Engelbrand: Hila Shalev

Ali: Shefi Marziano

Alexandrov Kalman: Yuval Gannot

A social drama that explores Arab-Jewish coexistence in 1905 Palestine as an allegory for our times. The plot centers around human misunderstandings that inflame tensions in Yafo, undermining relationships between pioneers from Russia and German bureaucrats (representatives of the Baron de Rothschild); and between the Arab residents of Yafo and nearby Neve Tzedek.
