Shlomit: Miki Peleg Rothstein

Reuben: Roberto Pollak / Dov Reiser

Aviva Raviv: Yael Levental

Ricky: Eleanor Weil

Dr. Olga Karpov: Marina Schweif

Wardens: Yarin Savion, Daniel Selitser

Assenheim's investigative journalism on the program in 2010 led to the conviction of Shimon Cooper in the murder of two of his wives, and he is now serving two life sentences in prison. This is a story about lonely women who were willing to do anything for love; and they paid for it with their lives when they met the wrong man.
