The Play

Set in the final days of the ancien régime, *Les Liaisons* offers a revealing portrait of decadence among the French aristocracy on the eve of the Revolution. Its series of intimate letters chronicles the amorous adventures of the Marquise de Merteuil and the Vicomte de Valmont. Clever, wealthy, and bored, they amuse themselves by devising a game that uses sex to humiliate other members of their social circle. No winners emerge from their battles, in which the innocent suffer alongside the guilty.
