The Play

Dafna and Amir, a bourgeois couple, have nurtured a tranquil married life until they receive a visit from their upstairs neighbors. The encounter with this unconventional couple exposes them to ideas surrounding open sexuality, swinging relationships, and a willingness to explore new experiences.

“LOS VECINOS DE ARRIBA” (“THE PEOPLE UPSTAIRS”): The production was originally produced by Produccions Artistiques Elefant with the collaboration of Teatre Romea, Trasgo and Mola Produccions. It premiered in 2016 at the Teatre Romea in Barcelona.
